Jefferson 6th Grade Parents/Guardians,

This letter is to notify you that there are new immunization requirements for all 6th grade students who will be entering the 7th grade next school year. These new requirements began in the 2009-2010 school year.

ALL students entering 7th grade next year must have DOCTOR'S PROOF of the following immunizations:

1. Tetanus booster (within the last 5 years before start of school)
2. Varicella , a second dose
3. Meningococcal

When you visit the Doctor this year please ask about this.

If you've already updated your child's immunization records, please send a copy to the school as soon as possible.
Many students already have the required shots, however the school does not have a record of this unless you bring one in.
Notifications will be sent out in March/April 2013 by mail. If you receive a notification it means you must bring a copy of your child's record to school because NISD does not have current documentation.
If shot records are not updated this year, your child will not be able to attend the first day of the 2013-14 school year.

Please avoid long lines at the beginning of next school year and take care of this requirement on your next visit to your family physician.

Thank you,

Kevin Kearns
Principal
Jefferson Middle School
